Mrs. Davenport,
 I really don't
 know what to say.
 I shall always remember
 you and what you have
 done for me. At first, I thought
 I wasn't going to get along
 with you. But the longer I knew you,
 the more I love that grew in my heart
 for you. I hope to come back and see more to
 you next year. There is so much to put into
 I could say, but it is so hard to put into
 words, what I feel in my heart. Good luck
 to in everything always. I wish you much
 happiness. With much love,
 Anita Barnett
 '68.

Mrs. Davenport
 I love you, I love you,
 I love you so much
 if I had a secret
 I'd give you the shell
 I love you, I love you,
 I love you so do.
 But don't get excited
 I love (monkeys) too
 not really
 It's only a poem
 I do love you more than
 any other Teacher because you're
 so understanding. I'll never forget you and I'll always love you. Anita

A real friend to all, that was
 Chuck Moreno. For four years
 Chuck played a big part in the
 sports of Andrew Hill. Just a
 few short weeks before graduation
 Chuck's friends bid him a last
 goodbye. The why of Chuck's
 leaving us, we'll never know,
 but the many happy memories
 he left us, we'll always hold....

to me.

To Davenport, fun in
I've had though I was
this class even though your
had! Good luck with your
marriage. I hope that I have a
lot more teachers like you -
Love ya,

Stephanie

Even though it took me
the whole year to take
that Nutrition Test I still
had fun in your class
Good luck in the future.

We have come so far, and seen so much, and we'll never forget those golden memories. This is what we, the TALON staff feels has happened this year..

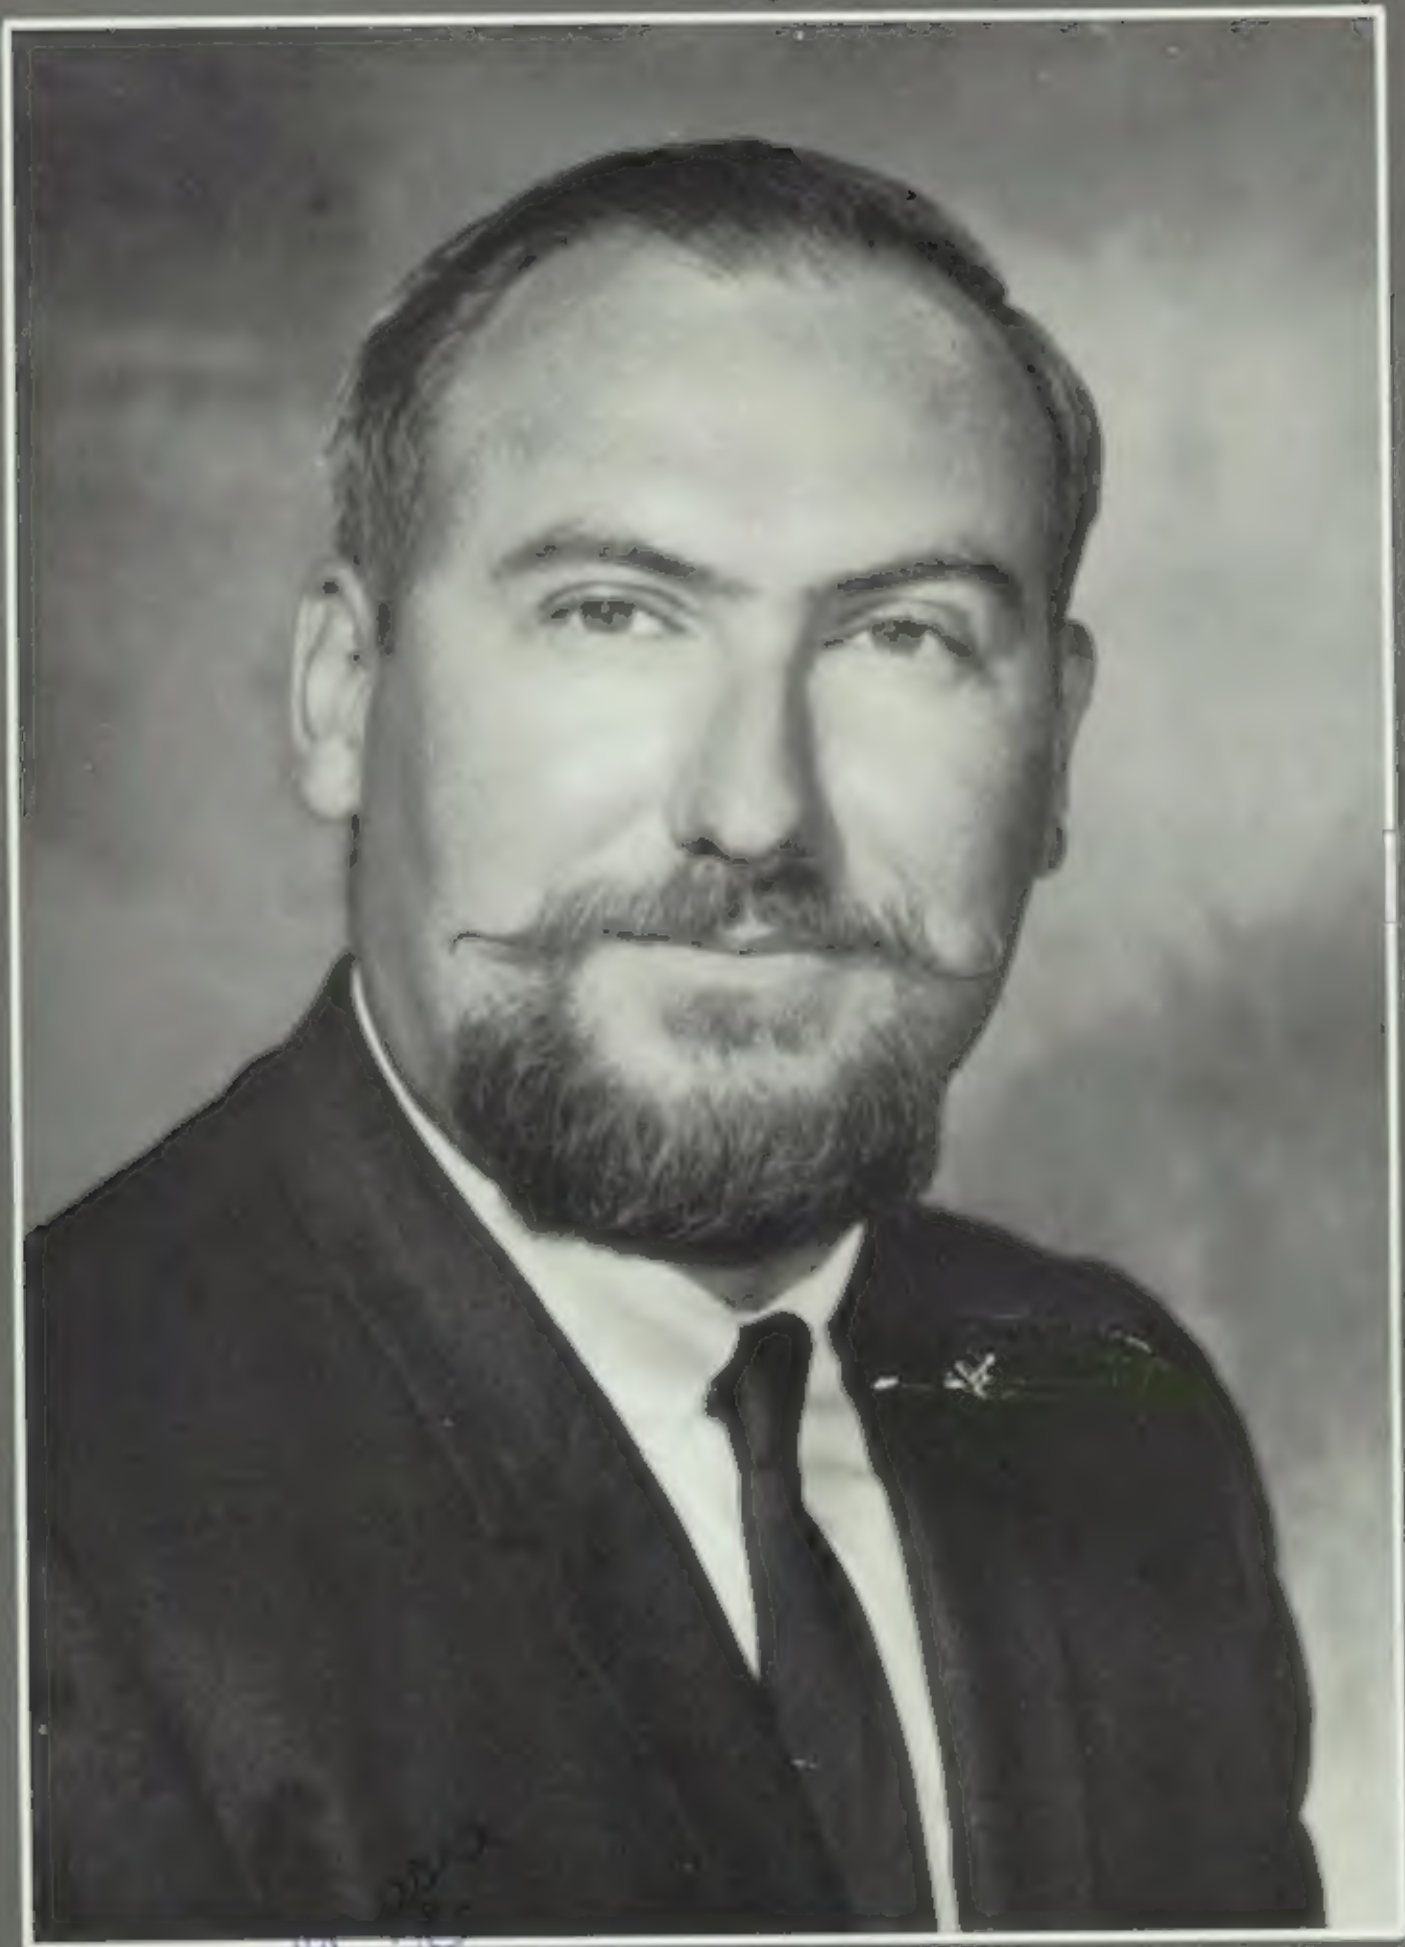

It is for these reasons this years TALON's theme is: WE CAME... WE SAW... WE'LL NEVER FORGET.

His been nice
to be in your
class this year
Good luck in the
year to come

To a dedicated man, . . . sometimes on the football field taking statistics, sometimes in his office talking over problems with students, . . . he is known around campus for a true friendship and a real sense of humor.

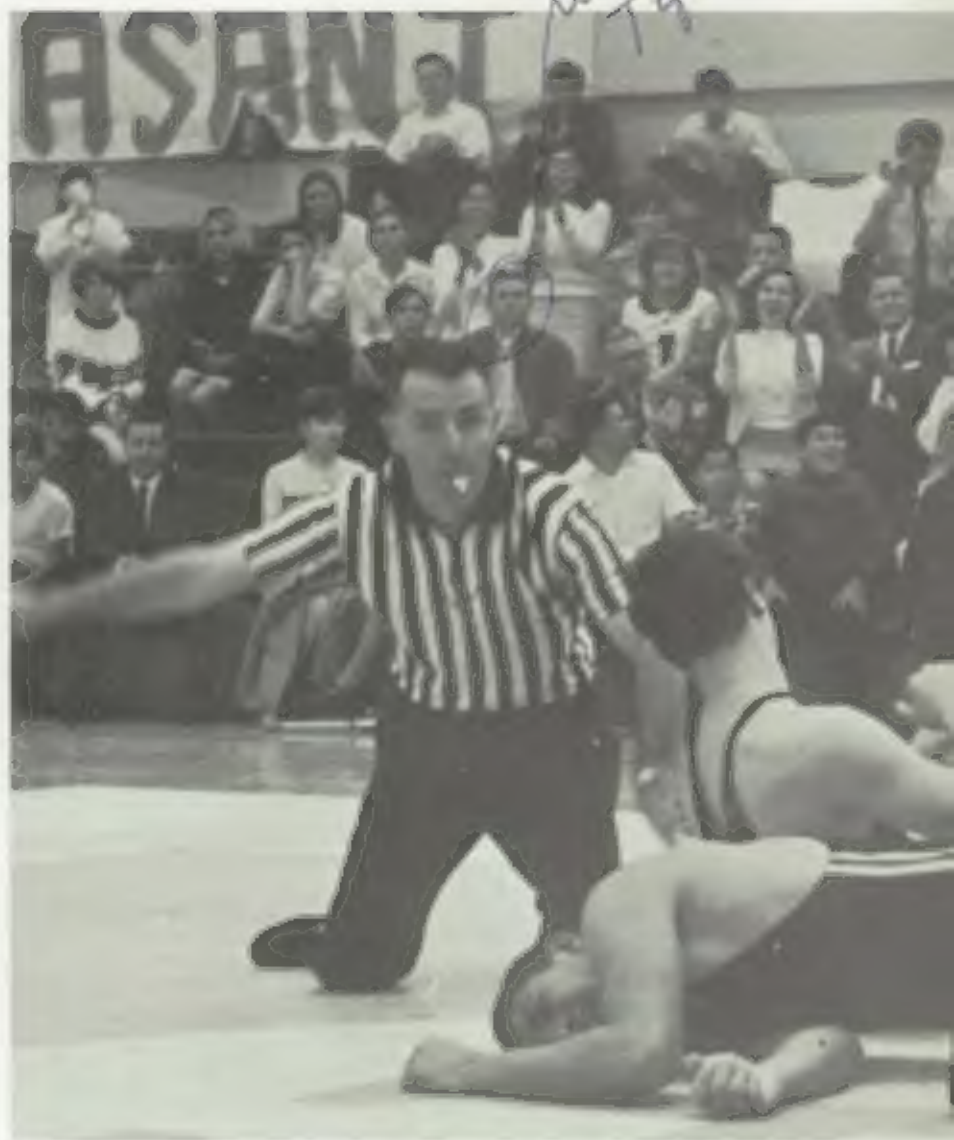

Born September 5, 1936 in Bakersfield, California, Mr. Al Alexander lived briefly in Sacramento, started school in Los Angeles and returned to Bakersfield in the second grade. He attended Bakersfield High School and Bakersfield College and received the A.A. degree. He then transferred to San Jose State and married his wife, Caroline, in 1957. Graduating from San Jose State in 1958, he started teaching U.S. History at Hill in the fall of 1959. He took a year off from teaching when his naval reserve ship was called to active duty serving six months in the Viet Nam area.

Mr. Alexander has two daughters, Amy and Kate. His main interests are fishing, reading, singing and railroad modeling. He also belongs to Hill's Barber Shop Quartet.

Mr. Alexander spends his life helping others, . . . daily, sympathetically and ceaselessly, . . . he is the head senior class adviser and vocational counselor, . . .

There should be no place in this world without people like you, Mr. Alexander, . . . that is why Talon 1968 and all the work and memories it represents is dedicated to you, . . . a great man . . . It is all we can afford, not all we feel, . . .

Mrs Davenport
 It was fun in

show
their
spirit . . .*

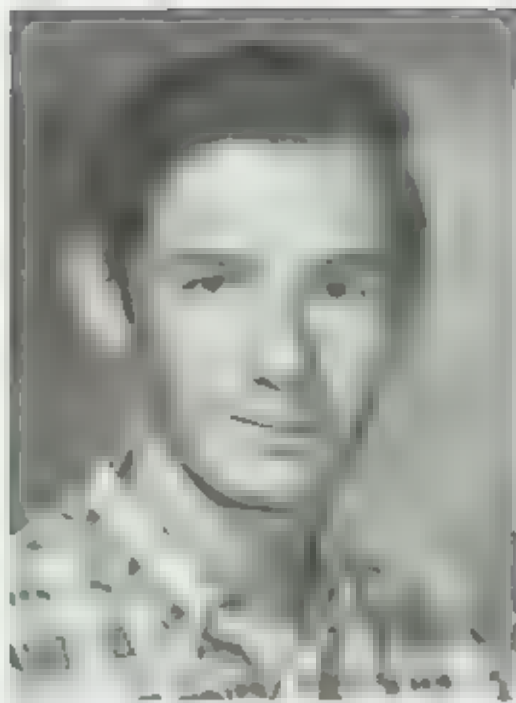

The class of 1970 has been one of the most spirited Sophomore classes at Hill. The Sophomore Class has shown their enthusiasm at the rallies and games by being the first class to use the protest signs. This class was also first to publish their own newspaper, "The Spirit of '70". Again the Sophomores show their spirit by making the winning float.

The final product. . .the winning float!

It was not long ago when everything had it's place and life was so simple. Now we are in high school, and life is a bit more difficult; so, we must improve our awareness to see life as it really is. Faces grow older and people are wiser. It probably won't be long before we find changes we thought impossible today, will become reality tomorrow, as we approach the climax of our high school career.

fleur de lis

Fleur de Lis is Hills highest honor society. Only the top ten percent of the senior class and five per cent of the junior class are able to become members. It also gives recognition to outstanding Hill students.

c.s.f.

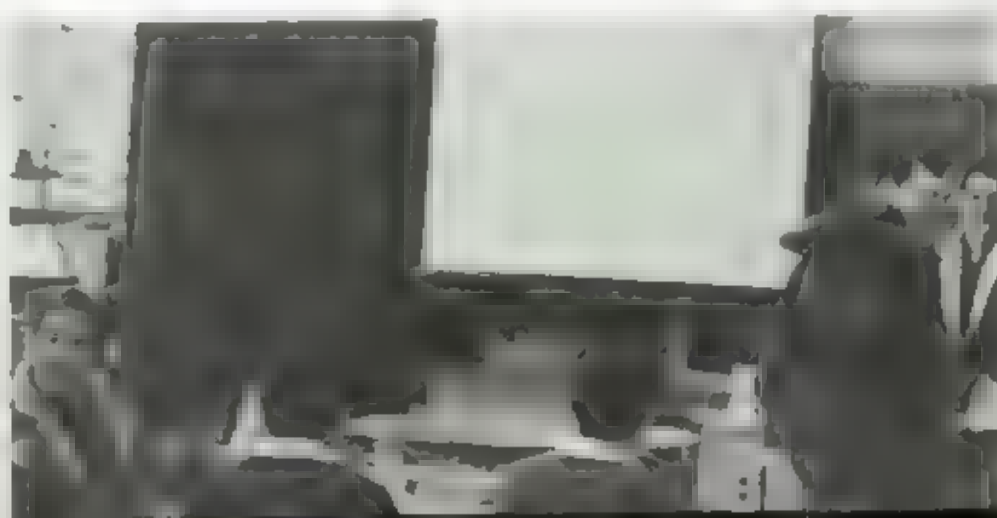

The California Scholarship Federation is an honor society whose motto is "scholarship for service." This group of college preparatory students represent top academic students at Hill. Membership is earned by receiving ten points in semester grades, an "a" counts as 3 points and a "b" as 1.

science honor society

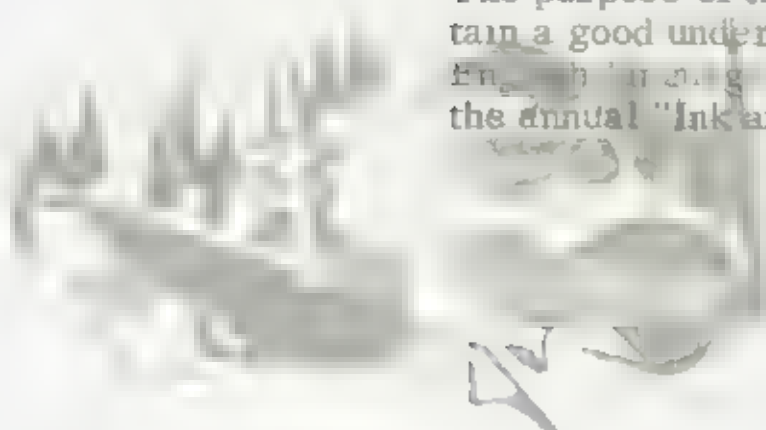

The Science Honor Society is a group of students who enjoy participating in science activity. With the aid of their annual field trip, they gain a better understanding of the vast subjects. To become a member you must receive "a" or "b" grade in a science course.

Plans are being made for the next field trip.

english honor society

The purpose of this club is to maintain a good understanding of today's English language. They also publish the annual "Ink and Feathers".

international relations

This club's main purpose is to promote interest in learning more about foreign relations. They also send a student abroad for a year of study in that country. The student must have some knowledge of that country, its language, government, etc.

Mr. William R. Bare
Principal

As you turn the pages of your 1967-1968 Talon and review the happenings of the past year, take pride in the fact that the activities, events and achievements witnessed reflect the outstanding spirit and cooperation that were characteristic of the Andrew Hill student body this school year. Our sincere hope is that the experiences learned while attending Andrew Hill will provide each student with the necessary foundations for happiness and success in life. May these experiences also guide each of you to deal human understanding and respect in some of the principles in your always varied and sometimes complicated negotiations with your fellowman.

The Andrew Hill 1966-1967 will be a year of the solving of your academic and personal school involvements. The memory of friends both fellow students and coaches will be served within these pages. As you review the 1967-1968 school year, remember that the Class of 1968 made a significant contribution towards enhancing the school's traditions of friendship and cooperation by sharing many of their senior activities and other traditions with our partners of this Fall semester—the students of the Oak Grove High School. As your principal, may I take this opportunity to formally thank you, the students of Andrew Hill High School, and in particular the senior class for this outstanding display of school spirit.

Congratulations to the TALON staff and best wishes to the members of the Class of 1968.

epilogue . . .

The year has finally come to an end. For most of us it has been great. For the seniors it is the last year of dances, games, and old friends. For the freshmen this past year has meant a new life of action. The Talon staff hopes that it has captured a lot of those memories, and remembrances of others.

The staff holds many memories in putting together the Talon. Joan, Ruby, and Martha are still off campus getting pictures at Griff's*! Esther, Cynthia, and Maggie still out selling ads. And of course Dan, Stephanie, and Debbie are in the dark room as for Mr. Franke "Please sign out" as for the other members of the staff shv little Laurie with her short skirts Sandy the future editor, Kiss Kiss Kandy and Sue, when will they return Bob still fighting November's deadline Janet and her e-y-e-tistic ability Gloria, Gail and Becky, oh when will they speak up Mr. Cool (David) Gene still admiring his pictures Marvann is still trying to figure out who the Talin is dedicated to and Deane saying "Why did you change my layout?" and last but not least Dave, developing those February Christmas Ball Pictures

 greatest teachers
 and friend a girl (anyone)
 could have. She remembers
 you always and see you
 next year.
 Love always
 Kate
